COLOR LINES BEING IGNORED IN ASSIGNED OF THE NEGRO TROOPS IN DRAFTED SECTION OF NEW NATIONAL ARMY

Washington, September 4.—How color lines have been ignored in the assignment of Negro troops in the drafted section of the national army is revealed in general orders issued today, showing the War Department's intention to apportion the Negro troops evenly where possible in all cantonments. The order provides that in every cantonment there shall be one Negro infantry regiment where sufficient personnel is available. Protests have been made against quartering Negro troops in certain parts of the South, but no modification has been made. The order is taken as an indication of what the War Department will do in disposing of similar regiments in national guard camps.

PATRIOTIC MASS MEETING

AT THE WASHINGTON OPERA HOUSE LAST NIGHT WAS LARGELY ATTENDED. HOUSE WAS PACKED AT AN EARLY HOUR.

Roll Call of Mason's Honored Sons Read and Will Be Filed in County Records—Addresses Made By Judges A. M. J. Cochran and C. D. Newell.

One of the biggest patriotic demonstrations ever given in Maysville was held at the Washington Opera House last evening, being given in honor of those now in some branch of Uncle Sam's service and those who have been drafted and who are to leave soon for Camp Taylor, Louisville.

Notwithstanding the fact that the meeting was gotten up in a hurry everything worked like clock work and the program was carried out in a most pleasing manner. Smittle's band, who also known as the First Infantry band, of Cincinnati, arrived yesterday afternoon on C. & O. train No. 2. The band formed at the depot and after playing the "Star-Spangled Banner" marched up town, headed by Mr. Emmitt Shepard, carrying a large American flag, and a committee composed of Messrs. J. Barbour Russell, Clarence Wood, Banks Durrant and E. T. Kirk. At 4 o'clock the band went to the government building on East Third street and with the seven young men who are to leave Saturday for Camp Taylor in the lead came down this street to the Central Hotel, where the young men will be stationed until Saturday.

The Washington Opera House was filled to overflowing at an early hour last night with those who had come out to honor the Mason county boys. Many who could not enter the building filled the alley ways at both sides and the lobby in front of the theater, while many others were unable to get within hearing distance. The stage was beautifully decorated with many American flags arranged in a most artistic manner. The benches on the stage were occupied by the Mason county men who have been drafted and several who are already in the service and home on furloughs were also on the stage.

From 7:30 until 8 o'clock Smittle's band gave a concert of patriotic airs and received much applause from the appreciative audience. After the concert the Rev. Locke White, pastor of the Central Presbyterian Church, invoked the aid of Almighty God to be with and protect our boys wherever they may go. The audience then joined heartily in the singing of America.

The addresses of the evening were delivered by Federal Judge A. M. J. Cochran and Circuit Judge C. D. Newell. Judge Cochran spoke on "Why We Are Waging This World War," and although his address was short it was most inspiring and brought much applause from the audience. Judge Newell spoke in "America, the Hope of the World," and he plainly showed the part that America was to play in the big world conflict. Both of these men have sons in the service and spoke with hearts akin with others who are sending sons and brothers.

Secretary Carl Dodds of the Maysville Chamber of Commerce very beautifully sang "The Marseillaise," the national hymn of France, and this was followed by the singing of "The Battle Hymn of the Republic," sung by a quartet composed of Mr. Carl Dodds, Dr. P. G. Smoot, Mr. R. A. Cochran and Rev. John Barbour. Mr. W. D. Cochran, the chairman of the meeting, read the names of all the young men who are now in the service of the United States, and asked for the names of any that had been omitted. Quite a few were reported by the audience and were added to the roll. The names will be presented to the Mason County Council with the request that they be made a matter of record on the books of the County Clerk.

The meeting came to a close with the singing of the "Star-Spangled Banner" by the audience.

AIR RAID

On Great English Naval Base—More Than One Hundred Seamen Are Among Dead.

London, September 4.—One of England's great naval bases, Chatham, on the east bank of the Medway, 30 miles southeast of London, was raided by German airplanes last night and 107 men with naval ratings were killed and 86 wounded. One civilian also was killed and six civilians injured. Chatham is the seat of immense military and naval establishments, including a vast dock yard, an arsenal and extensive barracks. The term naval ratings applies to the grade of men on board ship, usually those before the mast.

The official announcement follows: "Lord French (commander of the British home forces) reports that last night's air raid was carried out by about six enemy airplanes which proceeded up the south bank of the Thames estuary to Chatham. Bombs were dropped in the Isle of Thanet and in the Sheerness-Chatham area, between 10:40 p. m. and 11:30 p. m. There were no army casualties. Civilian casualties reported at present are:

Killed: 1; injured: 6. The material damage was slight. Our machines went up and anti-aircraft guns came into action but without result. "The secretary of the admiralty reports that in the course of the air raid last night the following casualties were caused to naval ratings: Killed, 107; wounded, 86.

THIRD STREET M. E. CHURCH NOTES

Now that Conference is over the church will get down to real business for the new year. The Epworth League will begin the year with a Rally service next Sunday evening. The new contest begins with that service. The contest will be between the male and female members of the League, the men and boys counting for 1 1/2 years and the fair sex for one. This year the men and boys will have as their captain one of the young ladies of the League, Miss Emma Debold. She has given them the assurance that she will lead them to certain victory. The ladies will have as their captain Mr. Dimmitt C. Knight. Anyone who knows Mr. Knight knows him to be a hustler for the side he is on, and now that he is to captain the ladies you may depend upon it that he will do his best to land a winner and make a big speech at the banquet that will be served to the winning side next May. The Rally service will be in charge of the League's president Mr. Franklin Slye. The chief feature of the service will be a report from the Lakeside League Institute by Misses Virginia Hurd and Violet Graham who were in attendance. Special music will be given. This will be a fine service and a good starter for the new year. Come and enjoy a real live young peoples society.

Regular prayer meeting service at the Third Street M. E. Church Thursday evening at 7 o'clock. The choir will meet immediately at the close of the prayer meeting. The pastor would like to see a large attendance at this first prayer meeting of the new Conference year.

FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10 AND 18 YEARS TO JOIN OUR

MASON COUNTY HEIFER CLUB

Believing that the future progress and prosperity of Mason County depends upon the continuing development of its Agricultural interests and the business efficiency of our future Farmers, with the hope of being able to aid in those directions, we have decided to organize a Heifer Club for the Farmer Boys of Mason County.

ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase fifty Grade Shorthorn Heifers, about eight months old and weighing about 600 pounds, which we will distribute among the first fifty Mason County Farmer Boys, between the ages of 10 and 18 years, that apply for and agree to care for same and that can execute a bankable note covering the cost of the Heifer; which note shall be payable in the fall of 1918.

The Heifers will be bought by expert cattlemen connected with the Extension Service of the State College of Agriculture and be distributed among the boys by lot. Each boy will be given the same chance to make good, and required to become a member of the Mason County Boys' Agricultural Club and to care for the Heifer under the directions of the County Agent; to have the Heifer bred to a pure bred Shorthorn Bull, this fall, and to have her and her offspring ready for public exhibition and sale in the fall of 1918.

You will not be expected to put up a cent of money now; but, you must properly care for the Heifer and pay for it later and all the increase and profit will be yours.

About \$100 will be given away in prizes to the boys getting the best results, with their Heifers, at the exhibition to be held in the fall of 1918. For full particulars call at Bank or see Mr. E. F. Boyd, Jr., County Agent, at once, as we want to close entries to the club by September 1st. We are anxious to help Boys that are willing to work and learn.

HOME-READING COURSE FOR CITIZEN-SOLDIERS

(Issued by the War Department and all rights to reprint reserved.)

This course of thirty daily lessons is offered to the men selected for service in the National Army, as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this course is merely introductory.

LESSON NO. 21.

EXTENDED-ORDER DRILL.

(Preceding Lessons: 1. Your Post of Honor. 2. Making Good as a Soldier. 3. Nine Qualities of a Soldier. 4. Getting Ready for Camp. 5. First Days in Camp. 6. Cleanliness in Camp. 7. Your Health. 8. Marching and Care of Feet. 9. Your Equipment and Arms. 10. Recreation in Camp. 11. Playing the Game. 12. Team Work in the Army. 13. Grouping Men into Teams. 14. The Team Leaders. 15. Fighting Arms of the Service. 16. Staff Branches of the Service. 17. Staff Branches of the Service. 18. Army Insignia. 19. The Army System of Training. 20. Close-Order Drill.)

Extended-order drill will give your squad its first lesson in the methods of advancing against enemy lines actually used in present-day warfare. You will first be shown how to deploy as skirmishers. Moving at a run you and the other men will place yourself in one rank, the interval between men being about 15 inches, instead of 4 inches in close-order drill. This is the simplest form of deployment, which may be roughly defined as spreading out a body of troops in thin open lines so that they may more easily advance even in the face of enemy fire.

This means that you become to a greater extent an independent unit. When pushing forward in skirmish lines you must rely in part on your own initiative and judgment.

The next step in extended-order drill is to practice kneeling, lying down, and advancing at a run. In the meantime, you will be getting practice also in rifle loading, and a little later will begin to carry your rifle when advancing as a skirmisher and to practice loading, aiming, and firing from the skirmish line.

Use of Cover
One of the most important features of this part of your training will consist of learning to conceal yourself from the view of the enemy by taking advantage of hillocks, trees, heaps of earth, rocks, gullies, ditches, doorways, windows, or any other cover that may be at hand. Your object is to reach the enemy. The more skillful you are in the use of cover the smaller the chances of your being disabled during the attack.

But you are not to remain too long in one place, no matter how well you may be concealed. Your value as a soldier depends on your ability to advance from cover to cover, always selecting before you leave one place the position you are going to occupy. Learn that "a man running rapidly toward an enemy furnishes a poor target." Remember also that a man lying flat on the ground is not easily

SALESMANSHIP

The great salesman must have profoundly at heart the interests of his customer, for no business can develop except as it promotes the interests of those who use its goods or its service.

The supreme salesman, furthermore, must be a man who cannot only make the customer want to buy, but who can also make the salesman's own producing organization equally enthusiastic to deliver the goods.

One of the greatest elements of skill in a salesman, is to create in the minds of the customer the thought that the salesman will in fact be able to produce the goods he is trying to sell.

The samples may be fine, but the customer must know that the man in the factory behind the samples will also do his part to the utmost.

It is easy enough to sell goods if the price is made very low. Good salesmanship means getting a good price for good material.

It is not always the best salesman who sells the greatest quantity of goods, but it is the best salesman who sells the greatest quantity at the best price.

MISSOURIAN KILLS WIFE WHEN SHE LAUGHS AT HIM FOR SAYING HE WOULD BE A GOOD SOLDIER

St. Louis, Mo., September 3.—Because she laughed when he said he would make a good soldier, John Espen, 52 years old, an Italian mechanic, shot his wife, Mary, 46 years old, in the head twice with a double-barrel shotgun, killing her instantly. He fled, but was caught later in an abandoned quarry, where he had taken refuge. In explanation of his act he said only "that he was fooling."

According to members of the family, Espen had been marching in goosestep fashion around the house during the morning, and several times remarked that he would make a good soldier. A few minutes prior to the shooting he declared "that he was a good shot, and that if he shot he intended to shoot to kill three."

The couple have five children, two of whom are married. A daughter-in-law and a daughter 11 years old had left the house a few minutes prior to the tragedy.

Mrs. R. W. Lauderback, W. Second St., Maysville, says: "Two years ago I was suffering with kidney trouble and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend one way or the other. Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

TOBACCO FOR SOLDIERS

Can Be Sent to Europe at Remarkably Low Prices Through Special Office of the Liggett & Myers Tobacco Company—Cards May Be Had at the Ledger Office.

For the convenience of those wishing to send tobacco to soldiers of the United States in Europe, the Liggett & Myers Tobacco Company has arranged to send and distribute among them through perfectly reliable channels leading brands of their manufacture. It is made possible for you to send the liberal supply listed below, for twenty-five cents, because the expense of carrying is contributed, the expense of distributing to the soldiers is contributed, there is no internal Revenue tax or duty on tobacco to our soldiers in Europe, and because of the fact that the Liggett & Myers Company will contribute a substantial part of each kit itself.

The Ledger now has on hand a number of cards furnished us by the Liggett & Myers Company on which anyone may write what brand of cigarettes or tobacco is wanted. A stamped card with your name and address thereon will be placed in each kit you donate so that the grateful soldier receiving it can conveniently make acknowledgment. As a safeguard we suggest that contributions be mailed or brought direct to us or handed only to persons whom you know personally to be responsible. The donations may also be sent direct to the Liggett & Myers Tobacco Company.

Following is the form of the card: Liggett & Myers Tobacco Co., 1134 Broadway, New York City Gentlemen:

PROF. HUMPHREY SPEAKS CONCERNING THE TOBACCO STEMMERY

I recently visited the stemming factory of the American Tobacco Co. in the East End—Union and East Third streets. There is not a better place in which to work colored people—both male and female. Every thing is sanitary, the overseers are perfect gentlemen and the conduct of those working there perfect. No place else offers the advantages that this Company does—at least \$5 a week while learning a trade. Some are making \$9, \$7, \$8, \$9, \$10, \$11 and \$12 each week.

Between twenty-five and thirty of our larger boys and girls have not the money with which to buy their books immediately. In view of this fact I have agreed to pay for their books provided they work with me each Saturday in the stemming factory until their books have been paid for. So beginning with Saturday, September 8, at 7 o'clock in the morning, thirty of our pupils and I will be found stemming tobacco, and we shall continue to do so every Saturday. I would also advise every colored man and woman without steady work to look up this stemming factory and ask the officials there to let you work. Honest work should not be below anyone's dignity because of the place in which it is done. It is idleness that destroys dignity regardless of its location.

In conversation with Superintendent Thomas this morning he informed me that he wanted 150 men and women at once.

W. H. HUMPHREY.

How's Your Kick?

If the feet have a tendency to go on a strike and growl with pain, feeling hot and uncomfortable, you can take them before a board of arbitration that will restore them to sure and cheerful working power at once. Here's the way. First, a hot foot bath in which has been dissolved at least 4 tablespoonsful of 20 Mule Team Powdered Boric. You cannot use too much of the Boric. The more the merrier.

When dressing, shake a little 20 Mule Team Powdered Boric into the foot of the stocking and also sprinkle a little in the shoe, especially on the sole and in the toe. Then you are ready to walk, work, dance, or just merely kick!

All leading druggists sell 20 Mule Team Powdered Boric.

\$11,538,945.400 WAR BOND BILL UP
Washington, September 4.—The House today began consideration of the \$11,538,945,400 war bond and certificate bill, the biggest measure of its kind ever presented to Congress.

It has, in the main, the support of both Republicans and Democrats. General debate on the bill will continue until Wednesday, when it will be taken up for amendment and a final vote. It will be passed probably late Wednesday to be followed by the war insurance bill.

Republicans of the House will endeavor to amend the bond bill to provide for the creation of a congressional war expenditures committee. A similar provision written into the food control bill recently by the Senate was thrown out in conference because of objection by President Wilson on the ground that it would embarrass him in the conduct of the war.
